80 Convertible

Builder: Viking Yachts
Model: 80 Convertible
Built: 2018
Length: 24.54 meters

PLEASE ENQUIRE FOR PRICE

Like all new Vikings, the 80 Convertible hones its blue-water DNA from its stable mates. The sleek styling showcases an impeccable sheer line with nine feet of freeboard forward tapering to slightly more than three feet at the stern, a lively reflection of the aggressive profiles of its recent brethren including the 92 and 62 Convertibles. The hull's sharper entry merges with a higher forward chine designed to divert spray downward when ripping through head seas. Convex hull sections add curvature and form to the refined running surface, while a quad of molded running strakes accentuate lateral tracking and maneuverability. Tumblehome at the corners of the curved transom adds definition and beauty. Deadrise at the transom is 12.5 degrees and the beam is

carried well aft providing exceptional volume, buoyancy and balance, a deft combination, which comfortably accommodates additional fuel, and the weight of a gyro stabilizer. The resin infused hull is a sophisticated composite structure of Baltek end-grain balsa and Airex foam cores with Aramid and E-glass fiberglass laminates. Stringers are fiberglass encapsulated foam and bulkheads are fabricated with vacuumed bagged composites.

YACHT DETAILS

Builder:	Viking Yachts	Model:	80 Convertible
Built:	2018	Total Staterooms:	5
Bathrooms:	6	Tax / Lease:	ex VAT
Location:	Viking Yacht Co, Bass River, NJ, United States		

YACHT CONSTRUCTION

Length:	24.54 meters	Waterline Length:	21.16 meters
