

48 Convertible

Builder: Viking Yachts

Model: 48 Open

Built: 2018

Length: 15.00 meters

PLEASE ENQUIRE FOR PRICE

This new 48 Convertible is a handsome addition to the world famous Viking product line up with exciting styling, an impressive three stateroom layout with Viking's legendary construction and attention to detail. Beginning with the same resin infused beamy hull as the new convertible, which carries its breadth farther aft for more interior volume, a wider cockpit, and more running surface, the Viking design group then turned to its pair of \$1 million computer operated five-axis profiling milling machines and embarked on a prodigious course to create house and deck assemblies to produce the 48 Open, the 48 Sport Tower and the 48 Sport Coupe. In the process, Viking has once again rewritten the ground breaking rules of modern yacht design in creating fresh, contemporary models within a model.

The 48 Open with its sleek sheer line, raked stem and razor sharp entry melds perfectly with the one-piece wrap-around fiberglass windshield to produce the epitome of an athletic and racy express cruiser. Outfitted with a fiberglass hardtop and a custom tuna tower and outriggers from our subsidiary Palm Beach Towers the result is a masterful tournament contender bound for the Winner's Circle each time the lines go in the water.

Completely unique and exciting profiles are offered with two other versions of the Viking 48 featuring a three-sided fiberglass, air conditioned deckhouse. Adding dashing definition and versatility this yacht can be further personalized with a Palm Beach Towers tuna tower for our Sport Tower version, or fitted with a radar arch or fiberglass mast for our savoir-faire Sport Coupe.

The Viking 48 Open, 48 Sport Tower and 48 Sport Coupe share a commonality of plush comfort and entertaining amenities. The 124 square-foot cockpit is ideal for fishing and other water activities. Stowage is ample throughout including a transom fish box, drink and bait coolers, recessed fish and stowage wells, and a split observation mezzanine. Space in the lazarette is provided for the available Seakeeper gyro stabilizer, which can be installed at the factory, or at a later date.

YACHT DETAILS

Builder:	Viking Yachts	Model:	48 Open
